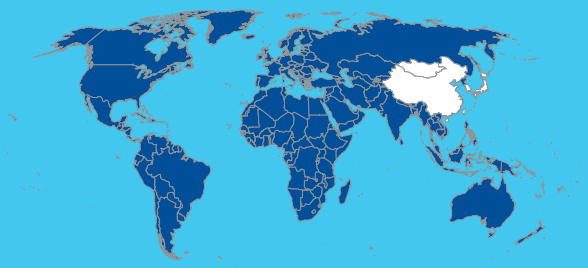
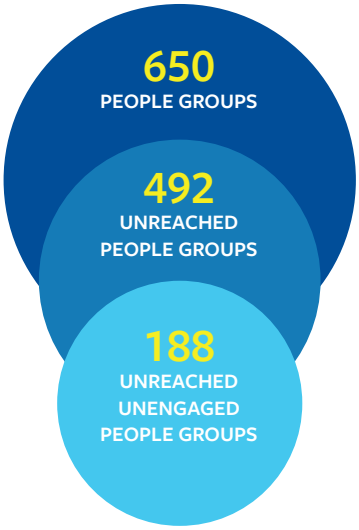
East Asia

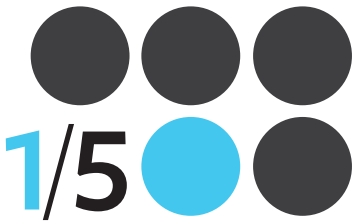
Though East Asian peoples are concentrated mainly in five countries, our focus is to make Christ known, regardless where they live around the globe. With hundreds of millions of people walking in darkness, join us in lifting up and engaging the spiritual needs of the East Asian peoples.



1.7

BILLION PEOPLE



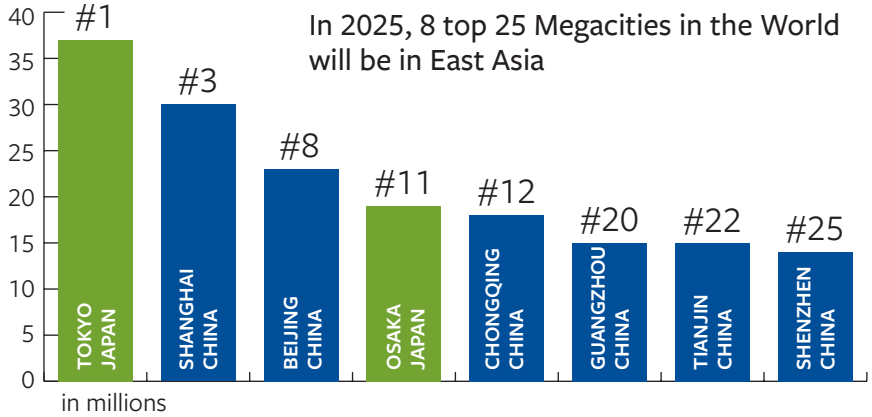


1/5

people in the world are from East Asia.

PRIMARY RELIGIONS

In 2025, 8 top 25 Megacities in the World will be in East Asia



The Chinese language has the most native speakers of any language in the world.
