

# 10 Resources for Chinese Disciples in the USA

## Bibles

1. Most Chinese churches use the [Chinese Union Version](#) of the Bible.
2. For a Chinese Bible app, search for “jingdu shengjing” or 精读圣经 in the [App Store](#) or [Google Play](#). The app has Simplified (China, Singapore) and Traditional (Thailand, Hong Kong, Macau) Chinese versions with downloadable audio files. It also has various English files and can even do Greek and Hebrew searches. And it is free.
3. If you need a desktop web version of the Chinese Bible, use the [Chinese Bible Online](#).

## Evangelism Resources

4. The [Hope video](#) is available in [Mandarin Chinese](#).
5. [The Jesus Film](#) is available in Mandarin Chinese, Taiwan Mandarin, Cantonese, and multiple other Chinese languages.
6. Creation to Christ (C2C) is a storying form of sharing the gospel. An [app](#) offers tools for presenting the story in any language. A short animated [video of C2C](#) is also available in Chinese.

## Discipleship Resources

7. [The Healthy Disciple](#) is a short training series that clarifies what a healthy disciple is and how to make other healthy disciples. You can watch a [short animated video](#) explaining the Healthy Disciple.
8. The Healthy Disciple site offers multiple [training modules](#) for doing one-on-one discipleship with a Chinese new Christian. The modules are in English and Simplified Chinese.

## Praise Music

9. [Zanmeishi.com](#) is a repository of old and new Chinese praise and worship music.

## Training Resources for Church Health & Multiplication

10. [The Healthy Disciple](#) website is dedicated to church planting, health, growth, and multiplication. It's also available in [Simplified Chinese](#).
