

# PRAY FOR THE **BOZO** OF MALI

The Bozo are a nomadic group of fishermen. They travel searching for fish in order to both provide food for their families and to sell as a source of income. Due to their constant migration, many Bozo have little or no schooling, causing many to be illiterate and even more

dependent on their way of life. We could learn a lot from these fishermen, by seeking out and going where the fish are as we “fish for men!” What a great day it would be if Bozo peoples would come to know Christ as their Savior and spread the good news as they travel all around.

## Pray

- For audio Scriptures to be developed for the Bozo.
- For Christians to share the good news with Bozo men who are currently fishing in the capital city’s river, since there is unrest in the areas they normally travel. Ask God to soften fishermen’s hearts during this time when they are a little less migratory.
- For God to use the Bozo to spread the good news to others.

*“He saw two boats at the edge of the lake; the fishermen had left them and were washing their nets. He got into one of the boats, which belonged to Simon, and asked him to put out a little from the land. Then He sat down and was teaching the crowds from the boat.” (Luke 5:2-3 CSB)*
