

Zigua of Tanzania

2025 Status Update

How God Is Working

For generations, the Zigua have practiced Islam. Missionary efforts have yielded little fruit among this hard-to-reach people group, but God has begun to answer our prayers. Pastors from a neighboring people group, the Maasai, lead churches in the Zigua region. The Maasai pastors have now been trained in evangelism strategies for reaching Muslims, and they have a passion for proclaiming the gospel among the Zigua.

How You Can Pray

- Pray that the Maasai believers will faithfully share the gospel with their Muslim Zigua neighbors.
- Ask the Lord to soften the hearts of the Zigua to respond to the good news.
- Ask the Lord to raise up more workers to engage the Zigua.
