

Kotafon of Benin

2025 Status Update

How God Is Working

Voodoo, the prosperity gospel, and syncretism create challenges among the Kotafon. However, since 2015, IMB partners have planted seven Kotafon churches. (Sadly, two of these churches were lost during the COVID pandemic.) Ten pastors from the Baptist Bible School of Benin and additional church planters have been trained to serve the Kotafon. Thirty Kotafon have been baptized.

How You Can Pray

- Pray for evangelism through door-to-door prayers and a program for teenagers and students from local technical schools.
- Ask God for resources, unity, and spiritual growth in Baptist churches.
- Pray for an African partner who serves as a missionary among the Kotafon.
- Pray for Kotafon who are persecuted.
