REACHING THE NATIONS, TOGETHER.
WHERE WE WORK

59% PERCENT OF THE WORLD'S POPULATION (4.6 BILLION PEOPLE) ARE CONSIDERED UNREACHED.
The European Union is made up of 27 countries with an estimated population of 447 million. Source: EUROSTAT, ec.europa.eu.

Europe is the most lost continent on earth with less than 1% evangelical Christians. As the influence of historically religious cultures fade into the world of secularism and relevant truth, the need for the gospel is ever expanding. Globalization brings the peoples of the world to Europe providing opportunities to engage the unreached from around the globe.

23,367 Dying daily without Christ

514 people groups with little to no evangelical influence
Highlights from 2021

57,037 people heard the gospel
