

“Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert.”

Isaiah 43:19 ESV

PRAYERPOINTS

EUROPEAN PEOPLES

Europe, long known as a stronghold for Christianity, is now the most lost continent on earth. Within its boundaries are wars, refugees from wars, and places where the gospel is not able to be freely shared. Despite all these things, God is at work. Churches are being planted and people are accepting Jesus as their Lord and Savior. We take heart, knowing and remembering Isaiah 43:19 (ESV), “Behold, I am doing a new thing; now it springs forth, do you not perceive it? I will make a way in the wilderness and rivers in the desert.”

LONDON, THE UNITED KINGDOM

Jesus sent His followers to “go therefore and make disciples of all nations” (Matthew 28:19-20). As the nations gather in cities across Europe, IMB teams embrace this amazing opportunity to partner with local churches in fulfilling the Great Commission. A great example of this is seen in London, a city of 9 million people, where multiculturalism and opportunities to share the hope of Christ with people from all over the world continue to rise. Of the 117,000 people added to the city’s population annually, over 97,000 are immigrants.

How do IMB teams embrace this great opportunity to reach the nations? They partner with churches in London and see new churches formed with people from around the world, some of whom are from unreached people groups. One evangelical church in London, which was started in 2020, offers an additional worship service for Farsi-speakers and has already baptized 77 people. This

growth isn’t only from the effort of trained pastors, but rather the whole congregation. Missions is part of the church’s DNA. Not only are immigrants being reached with the gospel, but these new believers then faithfully take God’s message back to their home country through online ministry and personal contacts. Join this Farsi-speaking congregation in praying that their homeland will become a place full of disciples that send missionaries to other nations. Pray for the lost in London to desire know who God really is, encounter a faithful gospel witness, and respond to Jesus in faith.

IMB TEAM MEMBERS PLANT A BASQUE-FOCUSED CHURCH AND BAPTIZE NEW BELIEVERS

The Basque Country is situated in the Pyrenees Mountains, straddling the border between France and Spain. The 3 million Basques who live there have a distinct identity and make up one of the least-reached people groups in Europe. They have preserved their unique culture since their arrival to the area 3,000 years ago. Though efforts have been made to reach the Basque people for years, and they have a Catholic history, today, many Basques are anti-religion, and less than 2% of them follow Jesus. In 2021, IMB missionaries planted BIDEA Church, a Basque-focused church plant, and recently baptized several new believers. Please pray for this church to keep growing and get the resources they need, especially a stable location. Ask God to bless the IMB team as they shepherd the church and train up local leaders. Pray for the gospel to thrive and spread among the Basque people.

UKRAINIAN PASTOR AND IMB TEAM SERVE AMONG INTERNALLY DISPLACED UKRAINIANS

Need drove many Ukrainians to Western Ukraine to find shelter from the war. Faith inspired Joseph, a pastor in Izmail, Ukraine, to rent a camp so that he could house 180 internally displaced Ukrainians. IMB representative Mike Domke has been working with Joseph through SEND Relief. They work to meet people's physical and spiritual needs and have seen many come to faith and join the church in Izmail. Vision is spurring Joseph to renovate a former disco night club so that the growing church can move into a larger space. This month, he plans to start a new church at their former location. Pray for Mike and Joseph as they work with other local partners who are starting new work throughout Ukraine. Pray that more Ukrainians will come to faith in Jesus Christ.
