

# FUNDING MISSIONARY PRESENCE

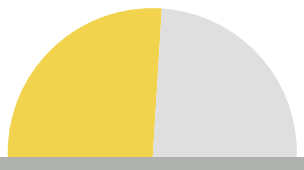

When you give to the Lottie Moon Christmas Offering®, 100% of every dollar directly supports single missionaries and families, like the Domke family, and their overseas ministries.

You help missionaries thrive by providing salaries, health care (physical and mental), and retirement.

Digital engagement and communications keep teams in contact with each other, local partners, and your church.

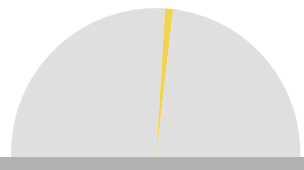

Missionary kid education is important, whether at college, homeschool, or a local school.
