PETER AND RUBY NG\*

*IMB missionaries to Taiwan*

Asians, Asian Americans, and Pacific Islanders have made valuable contributions to God's work around the world. Asian Christians represent many different countries, including Cambodia, China, Hong Kong, Indonesia, Japan, Korea, Malaysia, Mongolia, Myanmar, Philippines, Taiwan, Thailand, and Vietnam. Each group has their own language and culture, and they are doing their part to fulfill the Revelation 7:9 vision of a multitude from every nation, tribe, people, and language knowing and worshiping our Lord, Jesus Christ.

A number of Asians, Asian Americans, and Pacific Islanders have been sent to the nations through the International Mission Board formerly known as the Foreign Mission Board or FMB. Ruby Ng is one of them.

Ruby grew up in Vietnam. But, after the Vietnam War (from 1955-1975), things were so violent that she had to flee her country. She spent two years living in a refugee camp. There, she was introduced to Jesus by missionaries who were also fleeing Vietnam. The missionaries loved the Vietnamese people so much that they went to the refugee camps to serve them.

She later moved to America, where she met her husband, Peter. Now, they both serve as

missionaries—telling people about the good news the missionaries shared with Ruby all those years ago.

The couple shared the gospel and planted churches in the Philippines and another Asian country, and they even tried out retirement for less than a year. But their heart for the lost compelled them to go back to the field.

Now, they're in Taiwan and celebrating 25 years of serving as IMB missionaries!

We are grateful to the many Asians, Asian Americans, and Pacific Islanders for their obedience to God's call to the nations. We thank God for the thousands who have heard the gospel through their ministry.
