The Good News of Jesus Christ

- In the beginning, God created the world and everything in it. He created people to have relationship with him, to know him, to love him, and to be loved by him. God also created people to love and care for one another. (don't say references out loud - Genesis 1:1, 1:26, 1:28).
- But people selfishly do what they want and rebel against God and His design for their lives. God calls this sin, and it leads us into brokenness. Sin separates us from God now and for all eternity. (Romans 3:23, 6:23a).
- We try to do all kinds of things to get out of brokenness. Some try alcohol & drugs, some try relationships, some success, and some even try religion. But these things don't work, because they do not remove sin, and we remain separated from God.
- But the Good News is that God loves us and doesn't want us to stay in brokenness separated from Him.
- However, for sin to be removed a perfect sacrifice had to be given. So, God sent Jesus into the world to be that perfect sacrifice.
- Jesus lived a perfect life, never sinning, and showing us how to live God's Perfect Design for our lives. He obeyed God in every way, even with people mistreated him.
- Then, Jesus gave his life for the forgiveness of our sins. He did this by dying on a cross to take the punishment for our sins that we deserved.
- Three days later, Jesus rose from the dead proving that He paid for the penalty for sin completely, and proving that He is the Son of God. (John 3:16; Romans 5:8).

- God tells us to stop trusting in ourselves and our way of doing things, and believe that Jesus died for *our sin* and rose again from the dead. God wants us to trust in Jesus, and make Him the King of our lives.
- In believing this, our sins will be forgiven, and we can enter into a relationship with God and be restored. (Romans 6:23b, 10:9).
- God's Spirit empowers us to live God's Perfect Design for our lives now. And after this life, we will be with God forever in a place called heaven.

Invitation

- Does this make sense to you? Where would you say you are today... in Brokenness or in God's Perfect Design? Where do you want to be?
- The Good News is we can Believe in Jesus now. Tell God where you are, and then tell Him where you want to be. Believe that Jesus died for your sins and rose again. Turn from your ways of doing things, and follow Jesus making him the King of your life.
