

M-Task Partnership Discussion Tool

Evangelism

- Are your churches evangelizing?
- What method of evangelism do they use?
 - Is the evangelism method working? Are people understanding the gospel?
- To whom do they evangelize?
- Do they evangelize in programs, naturally in day-to-day interactions, or both?
- What resources or training would help your churches be more faithful and effective in evangelism?
- Can you conduct this training yourself?
- Can your church train others in evangelism?

Discipleship

- Are your churches making disciples?
- How are disciples being made in your church?
 - Group programs like Sunday School, weekly Bible studies?
 - Personal discipling relationships among various members?
- What resources or training would help your churches to be more faithful and effective in discipleship?
- Can you conduct this training yourself?
- Can your church train others in discipleship?

Healthy Church Formation

- Are your churches growing in biblical healthiness according to the 12 characteristics of a healthy church?
- Which characteristics are your churches growing well in?
- On which characteristics does your church need to improve the most?
- What resources or training would help your church be more faithful and effective in growing into healthy church status?
- Can you conduct this training yourself?
- Can your church train others in healthy church formation?

Leadership Development

- Is your church training up leaders?
- How are the leaders being raised up and trained?
 - Individual mentoring?
 - Bible school or Seminary programs?
 - Task oriented training program in the church?
- Are the trained leaders serving well in the work and character?
- What improvements need to be made in the leadership of your churches?
- What resources or trainings would help your church leaders serve better?
- What resources or trainings would equip your church to train up leaders more faithfully and effectively?
- Can you do this training yourself?
- Can your church help other churches train leaders?
- Can your church train other churches to raise up their own leaders?

Entry

- Is your church entering new places or people groups for the gospel?
- What places or peoples are your churches working to reach?
- Is your church being received well by the people?
- What challenges have you faced in entering among the new people group?
- What strategies have you used for entering well?
 - Prayer walking?
 - Care through prayer?
 - Community projects?
- Have you found a “person of peace”?
- Have you received permission to minister in that community from “gate keepers”?
- What training or resources would help your churches be more faithful and effective at entry into new places and peoples?
- Can you conduct this training yourself?
- Can your church train other churches to do entry?
