

Sonde of DR Congo

2025 Status Update

How God Is Working

Most Sonde claim to be Roman Catholic but have animistic beliefs. They practice witchcraft and live in fear of evil spirits. However, Bible storying is bearing fruit in the villages under the leadership of local pastors. Bible translators are also making progress on a Sonde translation. They have finished the Gospels and are moving forward through the Epistles.

How You Can Pray

- Pray for the safety of those engaging the Sonde in the villages, especially for the pastors.
- Praise God for the completion of the Gospels in the Sonde language.
- Pray that many more Sonde will come to Christ through the bold proclamation of His Word.
