

Kotokoli of Togo

2025 Status Update

How God Is Working

An African missionary has been sharing Bible stories among the Kotokoli. As he has shared the Bible stories, a good number of Kotokoli have put their faith in Jesus, and they have recently planted several churches. The Kotokoli are learning Bible stories and sharing the gospel regardless of the persecution they face. Praise God for the incredible work He is doing.

How You Can Pray

- Pray that these new believers will grow in their faith and boldly share the gospel with others.
- Pray for the safety of the new believers.
- Ask God to give more Kotokoli faith in him.
