

Bangi of Congo

2025 Status Update

Challenges We've Found

Most of the New Testament and some of the Old Testament have been translated into the Bangi language. Missionary activity in the Democratic Republic of the Congo (DRC) has resulted in widespread Bangi churches and believers. There are also Bangi believers and churches in the neighboring Republic of the Congo (RC), but more research is needed to determine the health of these churches and how to continue reaching the Bangi of Congo.

How You Can Pray

- Ask God to send someone to the Bangi of Congo to learn how to best engage them with the gospel.
- Pray for Bangi believers to be bold in sharing their faith among their people.
- Pray that the churches will be healthy.
