

Borgu Fulbe of Togo

2025 Status Update

How God Is Working

Some Borgu Fulbe families are responding to Bible stories, especially the stories of Abraham and Joseph. One family has listened to all the recordings of Bible stories an African believer gave them. It's challenging, however, that the African believer doesn't speak the Borgu Fulbe's heart language. But they say God speaks to them in their dreams.

How You Can Pray

- Ask God to raise up leaders among the Borgu Fulbe who can make disciples in their heart language.
- Ask God to continue to reveal Himself to the Borgu Fulbe.
- Ask God to open the hearts of the Borgu Fulbe to the gospel.
